The Premises:

Victorai House is Very clean, with superb facilities. Discreet entrance. This is well documented establishment. Showers good, sauna not bad, jacuzzi a little too murky for my liking

The Lady:

Slim Redhead, pretty (thinks she's too slim but she ain't)

The Story:

This lady knows her trade and is very naughty, gives a good covered BJ whilst exploring your arse to tremendous effect, nearly shot my load there and then, but fortunaltely i didn't digrace myself, she wanted me to fuck her before I could. I just had to go for a bit of reverse oral which she responded to warmly, couldn't hold back any more though so went straight into mish with her lying almost off the couch, here chaps I was done for, a few hard stroke had me emptying my sack into here wanton pussy, she's good very good and as i said at the start, a naughty lady. Saving like mad for a full hour with her..... Enjoy
