The Premises:

Penny's can't be said to be in the nicest part of Birmingham but you can park easily in the supermarket across the road. The establishment itself isn't the most classy that I've been too, but its always clean. The girls that I've seen have always looked after me very well and given me plenty of time. I've tried 7 different places now and I get the best value for money here.

The Lady:

Simone is a pretty blonde, mid 20's, you couldn't call her skinny but curvy in all the right places. I told her that I normally go for skinny girls with small breasts. But there's something about Simone, her lovely personality seems to promise a good time. She didn't disappoint.

The Story:

We started with a nice massage, nothing special but very relaxing, had a good chat and a laugh. We agreed everything that we would do up front (there's nothing worse than stopping half way through to re-negotiate) and a "package" price. Simone is an expert with her hand, soon preparing the way for a condom and beautifully executed oral. I then moved to perform oral on Simone, she makes all the right appreciative noises. By now I was ready to take her from behind, she looks excellent in this position. We finished off with a watersports session, she gave me hand relief as she peed over my cock. Simone isn't afraid to ask how you like it, and was soon producing the desired effect. I can't wait to go back, I walked out on cloud 9.
