The Story:

I was going to call in at Marcia's after the previous days' excellent punt, but called Aquarius on the off chance to see who was on. I have been keen to see Zara after previous FR and she's been on my list of girls to do. There were 5 girls working, all of whom were available and Zara was one of them. I picked Zara and it was definitely the right decision.

Started off with a body-to-body massage with Zara slipping all over the place. I would recommend everyone to try this. Then on to OWO, which Zara did with considerable skill. Had to try doggie, as I wanted to get my hands on her lovely arse. Moved on to mish as I knew I was getting close and wanted to shoot all over her lovely breast. Had a massage for about 15 minutes before trying round 2 ? more OWO. Thought I wasn't going to make before my time run out, but I did and ended up shooting all over her breasts again.

I understand Zara gets booked up pretty quickly and I can understand why. If you get chance I would definitely recommend a visit to Zara.
