The Premises:

A small flat situated above a car rental firm, nice and clean shower facilities, offered refreshment by receptionist. Bedroom clean and tidy.

The Lady:

Joy, 5'7 long flowing dark hair, 36dd-24-35, mid 30s, dressed in green matching bra and thong stockings, stilletoes. Very friendly and easy to get on with.

The Story:

Started off with a good massage then started to play with my balls, before rolling over and she performed good oral (covered) lots of eye contact. Before moving into the doggy position watching those tits of hers sway in the mirror, then she gave me a lovely tit wank coming all over those lovely tits of hers.
