The Premises:

A quiet, discreet flat in a town 20 minutes northeast of Edinburgh. Nice fireplace, tastefully maintained by Honey and another wg for incalls--the perfect place for an assignation!

The Lady:

Honey is 5'3", very much a BBW with beautiful large breasts and a most enticing smile. I also love her wonderful Scots accent!

The Story:

As a BBW guy, I can say that Honey is an ideal woman! I got to know Honey through e-mails and had visited her website, so it was with great anticipation that I planned a visit to her, just northeast of Edinburgh. We met in her very comfortable, quiet, well-furnished flat.

I was welcomed by Honey downstairs, and we sat in the living room where she offered me a drink after my flight and drive to see her. She was dressed in a sexy outfit as we got to know each other better. Soon she took the initiative, and started nuzzling and kissing me. I liked that very much! We then went to the bedroom upstairs.

Honey is a gorgeous BBW with large breasts and hips, and a very pretty face. Our visit was not at all rushed, and I got to explore every part of her fantastic body. I really enjoy reverse O, and going down on her was heaven! We tried any number of positions, with all intercourse covered. At one point I asked if Honey had any massage oil, and I used it on her. She told me that it was the first time a fellow had wanted to massage her, and I was glad I offered. Touching her soft, creamy skin was very exciting to me.

Without going into excruciating detail, I can sum up by saying that at every point I felt that Honey was intent on giving me pleasure, and she succeeded. She is friendly, warm, extremely sexy and a charming lady. It was well worth the trip to see her, and I will do it again as soon as I can arrange it!
