The Premises:

It's all been well documented before. One of the best turned out parlours in Manchester. Different girls for different tastes, you can't really go wrong!

The Lady:

Attractive black lady, 5ft 9ins tall, ample breasts and a lovely arse; well proportioned.

The Story:

April is not only new to Aquarius but she is also new to the job. However don't let that put you off. Her manner is very relaxing and she is a good conversationalist. Her massage was ordinary but she touches all the right spots. I could have lain there for hours just taking in the feel of her fingers and breasts.

I enjoyed OWO (extra 10) and she very much enjoyed receiving oral. Sex was also most enjoyable, slow tantalising thrusts, rather than fuck me for all your worth, which I so much prefer. I would say that if April decides to stick with this job she could be a star in the making. Respect her boundaries and you will enjoy your time with her. I will definitely return for more of the same soon.
