The Story:

Very nice lady, chatty, cheerful and well organised. Quickly sorted out requirements and fees and got down to business. Nice massage with me face down, slid her hand underneath me to ensure things were getting going. Then onto a good bj and then 69 which she seemed to enjoy. Onto her back for more oral on her and I slid into her for some mishionarry. Finally finished her off with doggy. All in all an excellent service, she tried very hard to do exactly what I asked and did it cheerfully enough and with some affection and seemed to enjoy herself as well. This was getting on towards the gfe bit. All very nice and certainly worth a repeat visit next time I am near York.
