The Lady:

Jackie is aged late teens/early twenties. A pretty girl with dark hair, and a slim athletic body, with a nicely trimmed pussy. Very talkative, friendly, and considerate.

The Story:

I had had the pleasure of Jackies company a couple of weeks ago, when she joined Karen and I for a threesome. So, as I was at a loose end, I thought that I would see her on her own. I was not disappointed, Jackie is very skillful, and uses her pierced tongue to good effect. The usual thing, a nice massage, oral, a 69, then on with the rubber, and first sex in the cowgirl position, then doggy, then finally missionary. As I said in my previous report, Jackie is a star in the making.
