### The Premises:

Great rooms, good reliable booking system. However, as this time I hadn't seen any of the girls in flesh, decided not to book. Wanted to see Zara after the FRs from guitarist and Mr Quimbie, but didn't get a glimpse of her as she'd gone into a 90 minute booking so choice was between Danielle and Marie. Danielle doesn't specialise so, tempted as I was by her, went for Marie.....bad choice....

### The Lady:

Dark hair, very thin. Not unattractive but not a beauty. Mid-20s, said she'd just come back after a break abroad.

### The Story:

I was put off once she'd stripped off - worrying signs on her body. Thought what the hell - I'm in here now and won't get a refund. OWO and covered sex. A couple of days later I wished I'd trusted my instincts and left! Literally, avoid like the plague. Thankfully I got the all clear last week.
