The Story:

My best punt ever. I said it once before but Tiffany is a different class. This 20 year old russian girl could be a model, but has at the same time an untamed porn like side. She greeted me in really high heels, nice long dress, no panties. after a chat I handed over 200 quid for the 90 min special internet deal. (150 for an hour) we started kissing and undressing in the sexiest way I have ever experienced with a working girl. on her knees she sucked and played with my cock (OWO) and balls, took it very deep, looked me in my eyes, she really loved doing this. we explored each others bodies, licking and sucking everywhere, she slipped on a condom and started riding me, then many different positions until I fucked her really hard in mish, she loved taking it rough! When I came she wouldn't let me go, but just kept on going, I kept being semi hard and got harder.....slipped on another condom and more hard fucking....then a rest and some drinks, massage, kissing, started playing with her arse and asshole while kissing her. then some licking of her nice shaven pussy, the ass got some licks too. with one finger in her ass I fucked her doggystyle, getting her ready for some anal. then I slowly put my cock into her arse...no lubricant, just saliva! after a while she could really take it deep and she really liked it! perfect asshole so tight. I fucked her mabe 10 minutes in the ass, longer than I have ever done it with any girl, I pulled out, removed condom and she sucked me until I came in her mouth, sperm dripping from her mouth. 150 an hour for perfect CIM and anal with a model like girlfriend type is SOOO good value. :-)
