The Lady:

The facial picture at the front of her website conveys a sense of how attractive she is but you need to see her in person to appreciate her fully. She has a beautifully slim, toned and shapely body. Nice breasts, each capped with a sensitive pink nipple.

The Story:

Just when you think you know all you need to about sex you meet Lara Brooks! Lara is a strong minded independent women treat her gently and with respect. Her interests are varied and she has added to those listed on her website by, for example, learning to fly.

She is completely sensual. If you want to connect with this lady then, in a sense, less is definitely more. "Rough" and playful sex has its routes grounded more in fantasy than reality. It was a warm sunny afternoon when we met and in essence Lara and I made love to the sound of bird song and the clip clop of the odd horse rider passing by. Follow her gentle ways and you will learn something new about women, sex and yourself.
