The Premises:

S described before - the web site has accurate descriptions and pictures of the rooms, and the girls. Safe and easy parking in pub car park. I really like this place - there's been some money and a lot of care spent on it.

The Lady:

Hannah is described on the site as "brunette 5ft 6ins tall with a beautiful sexy figure of 36DD-22-36." All true. She's Russian, and is sometimes a very little bit hard to understand, but very friendly to talk to. I liked her a lot.

The Story:

Had a quick shower, and she arrived as I was getting out. Hannah helped me to dry off and stripped down to hold-ups. Very nice body. I went on my front and got a better than average massage, finishing with body to body and kisses all up my back.

rolled over for some more rubbing and then very nice french kissing, I love that. The reverse O which we both enjoyed. All of this was interspersed with us chatting away like old friends. Felt like a GFE.

When she started OWO, I felt like I'd died and gone to heaven - great technique. Finished with CIM. Excellent.

I can't understand one of her previous report where the guy said he felt rushed - this was just the right pace for me.

I have been really lucky with recent punts - come of following you guy's recommendation I suppose - thanks everyone.

If I'm not mistaken, this is my 100th posted FR, allowing for the deleted ones. Hannah was a fantastic way to celebrate my century!
