All been said before. Great

The Lady:

Very pretty, slim, athletic build, small perfect breasts (don't have them enlarged Morgan, they are just perfect); trimmed but not shaven pussy, all over tan. Summary - absolutely stunning.

The Story:

Morgan is just phenomenal!

I broke with habit on this occasion and decided to see Morgan for a second time. What a good decision that was!

Morgan has it all as far as I am concerned; appearance - she is ball-achingly gorgeous; attitude - she sets out to please and she succeeds brilliantly and in doing so seems to make the most of the occasion for herself too; personality - when Morgan walks into the room, the world is suddenly a brighter, nicer place to be.

She remembered me even though it was 6 months since she saw me last. We got straight down to business. OWO - her technique is mindblowing! Then time for some muffing - she tastes divine and enjoys it too. Then 69 - more of the same. Then on to the swing followed by mish, doggy, cowgirl, reverse cowgirl and then finally an OWO finish with a finger up my bum. All this interspersed when the opportunity presented itself, with wonderful passionate french snogging. At each stage the sensations are enhanced and amplified by a feast for the eyes and her wonderful personality. She made me feel so special - and I'm not really.

I'd like to think I'm her greatest fan but I'm probably just one of many. I can't praise or recommend her highly enough. Thanks to our mutual friend Galahad, I've had some great encounters with some fantastic ladies but I think Morgan has to be my favourite, albeit by a small margin.

Thanks a million Morgan - you're a horny little devil!!!
