The Lady:

Koko is a mature lady - probably in her 50s.

The Story:

Koko seems to have a set routine - which is full of surprises and quite enjoyable. I usually prefer to have things go a little more spontaneously - but it is clear she sticks to her routine and discourages any deviation.

Having said that her massage was outstanding - her oral technique great (and one or 2 surprises).

I would have preferred to return the favour for longer and to have had sex - but it ended up being a BBBJ to remember.

If that is what you are after - do go and see her - I won't return - not because she is bad or poor value - just more dominant and less flexible than I prefer.
