The Story:

I have used this lady on several occasions,and still find her the best in the area for value for money. Pearl will also do cp if you ask.

So my visit this time started with a dozen strokes of the cane,then coffee,then made way to the bedroom were i undressed her,laid her down and began to fondle her tits,sucking and playing,then i moved down to perform oral on her,which she enjoyed by the sounds from her,after satisfying her,it was my turn to be satisfied by pearl performing oral,which she done to completion,so was unable to get the old man hard again!

Pearl will only see over40's!

If you want cp,call her Mistress Pearl when you ring then she Knows what you want

Allround another satisfying trip to see her,can't wait for next time
