Details of Service Provider:

Company: Oriental Elite

Website: <http://www.oriental-elite.com>

The Premises:

In a pleasant area not far from Baker Street. The flat itself was slightly grotty, though clean.

The Lady:

Pretty, very slim "Japanese" girl per the website - actually Thai (who isn't?) but half-Japanese. Prettier in real life than on the website. Friendly, if a little shy to start with. English is so-so.

The Story:

Well, put it this way, the shyness did not last. Excellent BBBJ and sex, enthusiastic and seemed to enjoy herself too. A sweet girl, good value, and a demon in the sack - the archetypal oriental experience, I guess. Also, she wasn't too money-grubbing - I paid afterwards, and without any prompting from her.

I don't normally write these, but she seemed to imply that she didn't get too much work. Hopefully this promotes her and the website (some nice-looking girls, most of whom I haven't seen elsewhere) so she can make a bit more cash.

(Also note: the lady who answers the phone for the agency also has pretty poor English, so it can be a bit of a strain trying to arrange a meeting.)
