The Premises:

Much reported on, Aquarius is a nice place, obviously a lot of effort has gone into creating a punter friendly environment and in general it has been done well and is looked after.

The Lady:

Described on the phone as 28, on the website as 35, but probably nearer 40. Not that it matters, she keeps herself in good shape, nice long blonde hair, shame the hair down below is also quite long, other than that small gripe she is a really genuine person.

The Story:

A major part of the attraction of Aquarius is the ?60/hour which gives you time to lie back and enjoy the event without racing to the finishing line, I particularly enjoy a long build up to an orgasm and the service from Danielle was excellent in this respect. As the website says she is a qualified masseuse and this aspect of the service was excellent, oral was also very good (although no OWO offered) and sex was enthusiastic and very enjoyable, was feeling lazy so let Danielle finish me off with a very firm handjob onto her nice titties after which I was caringly cleaned up, a nice touch!!
