### The Premises:

Scorpio parlour. Plenty of clean white gowns available, drinks in the lounge too.

### The Lady:

There were about 6 ladies available, including buxom Trisha, who did look very tempting, but I'll have to try her another time. This time I chose Nok, a Thai looking slim lady size 8 - 10 and pretty.

### The Story:

Followed Nok to the massage room and we sorted the lighting, the TV and filled the bath. I had wanted to share the bath but Nok decided to stay in her undies and simply soap me all over. Once out of the bath I had my massage with Nok taking control. Flipped over for some good OWO, and kissing. I sucked her nips and gave her clit a bit of attention. She certainly smiled when she saw the full size of my erection and offered to suck it off to completion but no CIM. So I just lay back and watched her in the mirrors until I erupted which made her smile again.

Very sexy lady who knows the ropes.
