The Lady:

Two blond Julies, but a lot younger than the TV. One (Rachel) very petite, but lovely figure, (Zoe) fuller figure long legs and lovely tits.

The Story:

Rachel started with an exhibition with Roger rabbit, amazing hoe thid dildo worked her cunt to a climax, giving me a hard on straight away. Meanwhile Zoe laid on the ben with no panties on opening her legs very suggestively. they finished the show both laying on the bed with their legs wide open, waiting for me. Then they both mounted me one at a time, holding my cock so it wouldn't slip out, until I finished in Zoe's nice tight cunt. Rachel also has a very tight cunt, and shags with great enthusiasm, using a screwing technique which I find amazing.
