The Premises:

A basement flat close to Anerley station, which is easy to find with a choice of front or rear entrances. The flat is welcoming, although the recent separation of the lounge and kitchen area has made the lounge a little on the gloomy side. The good news is that the bedroom is now even more comfortable than before.

The Lady:

Sam is a 25 year old blond English girl with a curvaceous and firm body. She has a generous 38DD bust and a similarly generous and firm derriere. This was Sam's first day at Debbie's and she was a little bit on the nervous side, but still very friendly and accommodating.

The Story:

I started by exploring all the ample curves of Sam's gorgeous body. We then moved to the bed where Sam treated me to a nice firm massage. The frustration of Sam's body being hidden from my view soon became too much, so I rolled onto my back so that Sam could pay some attention to my nipples which were crying out for a good squeeze. With such a fine derriere sex had to be in the doggie position with Sam in a standing position bending over the bed. I pumped away whilst admiring the beautiful pulsations of Sam's bottom before coming to a more powerful than usual climax. A very good punt, Sam is well up to this establishment's normal high standard.
