The Premises:

A basement flat near Anerley Station. The flat is very clean and homely. Nice new mattress, very springy.

The Lady:

Emma is a very pretty young English lady. She has a fantastic body, beautiful skin and long legs. She has lovely long hair and a beautiful soft mouth. She is very friendly and goes out of her way to please.

The Story:

This was my first visit with Debbs new girl. Emma wore really sexy lingerie with stockings and had a lovely smile. We started off with the shower, plenty of mutual soaping to get us in the mood.

Moving into the bedroom Emma gave a very sensual massage after which I was more than ready for getting a little more intimate. Exploring each others bodies with our tongues interspersed with French kissing and cuddling. Emma?s oral is something else and for a young lady she certainly knows her stuff. We had sex in Cowboy position and I just could not resist any longer as I came inside her. After cleaning me up we chatted for a while as Emma snuggled up next to me on the bed. A true girlfriend experience.

Emma is a fantastic addition to Debbies, she really knows hoe to give you a good time, and I?ll definitely be back.
