The Premises:

A basement flat close to Anerley station, which is easy to find with a choice of front or rear entrances. I was immediately made welcome by Pat the maid and offered a choice of drinks.

The Lady:

Sarah is a slim but curvy blonde with a 32DD-24-36 figure. She was dressed in a figure hugging little black dress, which did not stay on for long!

The Story:

After an initial exploration of Sarah's exquisite body we adjourned to the bed for Sarah to give me a delicious finger tip massage, wow does she know how to arouse and turn a man on! She paid particular attention to the male G spot. Then on with the rubber and Sarah started to give me a BJ, but this is not really my thing, so Sarah mounted me and rode me in cowgirl with those ample and curvaceous breasts swinging in front of my nose and demanding attention! Sarah then rolled onto her back and we finished off in mish . Another very good punt at Debbie's, I will definitely be back for more when finances permit.
