### The Lady:

Very accurate on the website. I'd say a young 26 as well. Once again pics don't really do her justice and don't tell you anything about what a great lovin, sexy, warmhearted person she is.

### The Story:

Helen at the agency was very helpful and polite in organising this get together and I will definitely use this agency again. Tegan arrived 5 mins early in a smart suit, hair tied back and glasses on. Proper secretarial look. I suppose she looked pretty plain really but in an attractive kind of way. You know what I mean when a good looking girl dresses down to stop blokes gawpin at them!

Anyway cracked open a bottle of bubbly and after some initial smalltalk got going. She smokes and that helped the date flow.

As we removed bits of each others clothing I was getting more and more impressed all the time. She then stood up at the end of the bed and stripped down to her 'brand new' lime green underwear. A girl as good looking as her making such an effort for little old me.

Now I was really impressed!

You see she has just come back from holiday and had a great tan. And with a body like hers that colour suited her....SHE LOOKED FANTASTIC!

Once again no CIM but she more than made up for it with her great owo. Kissing and cuddling with some reverse oral followed culminating in two great climaxes for me.

Had initially only booked her for an hour but Tegan is the only escort I have ever extended the time with and even when she left I felt I didn't want her to go.

There's no doubt in my mind that I shall be visiting the area very shortly and hopefully seeing Tegan

again.

I can only thank manitou for his previous glowing reports that took my eye and convinced me to book Tegan....Cheers mate!9(You've gotta see her in that underwear....WOW!)
