The Lady:

This is lady who has personality forget the great sex the super breasts a pussy you could eat for a week and still come back for more a bum to relish and admire. She has that indefinable thing personality you can talk to her for five minuets and you feel you have known her all your life.

Add to this she kisses and cuddles like an angel and when you have had a BJ from her you will want no other she is a great confidante all in all a magic experience I mean to repeat as often as I can.

The Story:

We sat and had a coffee and talked we even held hands we kissed and cuddled then when up stairs to a clean room clean bed clean towels. She undressed me, which was nice Great sex great fun and a clean hot shower to finish what more can a man want.Honey is a honey!!!!
