The Lady:

Christina was one of 7 who were working, 5 of whom were in the lounge. Christina is dark haired, curvy size 10, medium build.

The Story:

Was spoilt for choice. There were two or three I could have chosen but there was something about Christina I was more attracted to, but could'nt define it if I tried.

Once in the room she peeled off to reveal a wholesome size 10, with lovely boobs and a small naval tattoo.

Her massage was excellent and I was really enjoying myself in her capable hands. She is not British but her english is good.

Once I rolled over it was time for some OWO. This is her speciality. She licks, flicks, sucks and teases for ages, and knows when you're near the brink of cumming and can ease off. My toes were curling with pleasure, and I returned the favour with some oral on her.

Christina then performed some more mind blowing oral on me, flicking her tongue like an expert before engulfing most of the shaft deep in her mouth with total eye contact.

I eventually exploded all over her dangling boobs and she eased every last drop out and rubbed her tits with cum.

I gave her a tip which was well deserved. A premiere league blow job which ranks in my all time top 3. Absolutely mind blowing technique.
