The Premises:

Honeyz doesn't look much from the outside, and the waiting room is very basic. However, the rooms are absolutely fine. They are clean, and a decent size, and come with mirrors.

The Lady:

Jane was a definite find. She was absolutely lovely. She was from Finland, and looked like she was in the sense she had very blond shoulder length hair. She had a very cute face, with lovely blue eyes.

She was about 5 feet 4, with small to medium breasts, and lovely lightly tanned skin. I guess she was about 20 - 23.

The Story:

Honeyz seems a pretty good place to me. The maid I've seen gives a friendly welcome, and the girls make a good effort to introduce themselves. Jane was particularly adept at this, in that she gave a really lovely smile, and repeated my name back straight away. With someone so pretty, you wonder if they will be remote, but this was just the opposite in Jane's case. She also happened to look like someone equally stunning I'd seen in a West End show recently, which was an added bonus.

Once in the room, it just got better. A brief massage, as that's all the 20 minute session will allow. But then I turned over, and enjoyed the feel and a suck of Jane's breasts. She was then performed some very good oral, with very sensual eye contact. Jane is certainly aware how to be sexy, as she then stood up in front of the mirror, so we could both survey the scene, and then she bent over so I could have a good stroke of her clit in full view.

We then moved onto the sex, which was great. I went on top, and she moved very easily with me. I would like to have lasted a bit longer, but I was feeling especially horny so it just wasn't possible. But it certainly was a great experience as Jane was lovely, and we packed a lot into 20 minutes for a reasonable price.
