The Story:

I wanted to see Patrice after reading the many good reports on her and I must apologise for not submitting my report sooner but I have had difficulty in putting into words my amazing time with her but here goes

After a shower I was waiting in the room when she walked into the room in a beautiful summer dress introjuced herself with a passionate kiss and cuddle before slowly starting to undress me I recipricated by pulling down her dress and letting it fall to the floor to revel her naked body in its full glory

Through her talking and actions I soon felt totally at ease and felt that I was with someone I had known & been intermate with for many years. She then looked directly at me with a beautiful smile asked if she could suck my cock this was imposible to resist. I will not on this occasion go into detail what happened next but surfice to say I had a most intermate and enjoyable encounter with one amazing lady and as we said to each other in the words from the film Casablanca this could be the start of a beautiful relationship and I look forward to my next visit with egger anticipation

Thanks again for an amazing experence xxx
