The Lady:

Megan is a well rounded lady who is "real" No nips and tucks - but just a gorgeous body - not too perfect (which I must admit puts me off a little)

The Story:

I had a great time. SHe is fun - enjoys herself visibly and anyone who can get me to come twice in the space of 90 minutes is a star.

Megan had a bad expereince that morning - so I can only hope I helped set things right with her.

I would definitely see her again - more so than Tegan of the same agency - who in a way more perfect and attractive - less real.
