The Premises:

As ever a very nice place, although on this humid day a bit stuffy. How about a portable Aircon unit Debs? (I promised Areena I'd ask)

The Lady:

Petite Singaporean dish. Shoulder length hair. A bright and bubbly girl - very sexy.

The Story:

I spent about ten minutes chatting to the maid as Areena was not feeling too good mainly due to the humidity. To be honest I was a bit concerned about her but she insisted that she would be OK and we went off for a shower. The cool water seemed to do the trick and Areena perked up and we adjourned for a fantastic body to body massage, with her teasing tongue gliding around my balls and shaft. Finally a flicker of tongue across the top of my cock and a truly mischevious laugh. This prompted me to insist that it was my turn and I set to licking her delicious clit until we writhed into a 69 and then Areena was on top and I was inside her tight pussy then around to finish doggystyle. After we had a relaxing cuddle before being shown out with a final kiss. If Areena is this good when she is not on top form - what can she be like when she is? There's only one way to find out!!
