The Premises:

A private house on the outskirts of Telford - quite discrete with handy, equally discrete parking. Felt safe

The Lady:

Helen is really beautiful and worth the extra special effort one has to make to make contact and be successful arranging a meeting.

The Story:

Helen is a ranchy lady with exquisite breasts, she holds nothing back. After I had removed the little clothing she was wearing (no underwear -lovely) she said "help yourself" it was a great turn on. Helen was enthusiastic and a great lover. I shall certainly return when I next am within 50 miles of Telford.
