What can I say that hasn't already been said and said again about this just adoreable creature!

The Story:

When Tegan arrived it was like seeing an old friend again. This time she wore her hair down and christ did she look good.

Cracked open the champers and as Tegan was driving she only had a glass or two, but I made sure it didn't get wasted.

Had initially only booked Tegan for an hour, but ended up extending twice to three hours eventually! This gal is just the best company I have ever had from a 'working girl', if I can still bring myself to call her that.

She's charming, she's sexy, she's giggly, she's witty, she's gorgeous.

She is just a magnificent 'LADY' !

Not gonna go into all the details that we got up to this time, but just to say their were one or two highlights. Those being initially the black popper dress she was wearing that definately made very easy access to the goods in the early throws of passion, only to reveal some stunning pink underwear!

Not forgetting the 'full' use of the champagne this time, which was great fun. I'm sure Tegan enjoyed that as much as I did !

Sleeping on the wet patch will never be quite the same again!

You might have already guessed that me and Tegan 'click' to say the least and in another world, well, I dunnow, I would move heaven and earth to get together with her.....Until the next episode!
