### The Premises:

Located close to Anerley station with an unassuming entrance on the main road to a basement flat. Friendly maid whom I chatted with whilst waiting for the lady herself.

### The Lady:

Bubbly and shapely brunette with large breasts and a lovely devilish twinkle in her eyes.

### The Story:

I've been meaning to submit this report for over a month now, as I promised Debbie I would, but the database was apparently full every time I tried - so finally here's my chance!

Seems to be a very popular establishment and I'm glad I did my research. Debbie's a very inviting woman who makes you immediately feel at ease with her laid-back but sexy demeanour.

Despite the wait, this was one of my best punts. Debbie took her time and we had some fun.

We started with some kissing and groping and rubbing our bits up against each other which had the immediate desired effect.

The shower time together was very erotic and pleasurable, first time I've done this at a massage parlour. Soaping Debbie's breasts and body whilst she was rubbing me all up and down. Heaven!

The sex was great too with Debbie bouncing up and down on me cowgirl style where I could lie back and ogle her lovely breasts.

Promise to return either to see her or Sarah (I am very partial to blondes)

She booked me a taxi to take me onto my next desination - a nice finishing touch!
