The Premises:

All that can be said has been said. I can't really add to it.

The Lady:

A really lovely lady. Lovely to look at and terrific to be with. Superb body and legs with a lovely face and very dark hair to go with it. Supposed to be mid thirties, you wouldn't know it. Looks much younger.

The Story:

I wasn't sure about looking forward to this, I'd seen Patrice 4 weeks ago and had a truly wonderful time. Could it be as good again or was the last time just a one-off experience. Patrice soon allayed my fears, she really knows how to make a fellow feel welcome and very much at ease. She actually remembered me from before (and for the right reasons), she even remembered the bits I liked. I'm not going to ramble on about everything that happened, but her GFE is fantastic, the only indication she's a WG is the fact that you've paid. You feel as though you've had a really good session with a real girlfriend. Her OWO is out of this world, in fact her technique on everything we did was perfect. Not at all rushed at the end and she's quite chatty. She speaks beautifully and you can have nice sensible conversations with her. Again another wonderful 30 minutes, the only downside is that it was such a fun filled experience it didn't seem like half an hour, but it was, time went too fast. Wish I could afford a day! Many thanks, Patrice. I'll be back!
