The Premises:

Karen's new place in Broom Lane - spick and span with the lady who does busily Hoovering around when I arrived. Very smart and loads of parking. Ideal situation with a discreet entrance at the back.

The Lady:

First time this has ever happened but I caught Diane on her first day at Karen's - don't know if she has worked elsewhere but was definitely not an amateur. Tall and elegant with a quiet, sexy voice and an absolutely stunning figure she is one of the horniest women around.

The Story:

Taken to the room by the receptionist who was very pleasant altho full of a cold. Nice room and horny video just in case you needed getting in the mood. Diane's arrival was all I needed to get aroused -she is slim and gorgeous and I couldn't wait to caress and explore her fabulous curves. No need to go into details, enough to know that kissing, OWO and reverse oral are all on the menu topped off by the most exquisite fuck with a beautiful woman. Fantastic ...
Would I go back - try to stop me!
