The Premises:

it is a flat within 3 minutes walk from High Street/Ken tube station.

It is very clean, tidy, and decorated with good taste. You can really make you think that you come to the flat of your young GF.

The Lady:

Very sexy girl with long blonde heir in eraly 20s. I saw that she was about 5ft 6in, She has a slender figure and very nicely balanced curves as an icing suger.

She is not a "bombshell" model. She is more than that. She is far prettier than those unnatural mannequins. She walking naked at bedside is incredibly PRETTY.

The Story:

A stunning girl. There was a genuienly relaxed and moderate talks at the lounge, and a genuienly relaxed and fresh excitement in bed. I do not go into detail this time. But I absolutely believe that Christine gives a complete mixture of what men want from punting. I just definitely concur to the admirations shown on the previous reports. She is absolutely a Creme de la Creme in London.
