The Lady:

Anna is a very atactive lady She starts out shy. But once she gets to know you the smile and the lovely eyes shine though. A very slim figure and a clean shaven pussy, that just begs to be kissed.

The Story:

This is the second time i have seen Anna.The first time was a 2 hour booking. Which went to quickly. We got on very well together hence forth the all nighter. On both occasions Anna was on time and smartly dressed. She is a delight in the things she dose and lets you do.The sex was mind blowing, i wish i had a girlfrend like her.So you older gentlemen out there, if you would like a great time with a very special and charming lady. see Anna. I know i will again
