New decor is an improvement. I'm finding Scorpio an increasingly attractive venue because of its more discreet location compared to Blair St and London Street.

Beautiful body, long, dirty blonde hair, gorgeous boobs and bum. About 5'4", early twenties and very attractive

The Story:

Danielle is a hidden gem. I had noticed her on previous visits as she's very pretty, but previous visits were to see specific people based on other FRs. I can't believe Danielle doesn't already have a stack of great FRs. I had the afternoon free and had visited with a few girls in mind based on some recent FRs. One was busy and one wasn't my type. Danielle was in the lounge in a gorgeous clinging lilac mini dress with a couple of new spanish speaking girls. As it approached 5pm Danielle decided to change outfits and returned in a black basque with black stockings and suspenders. What's a guy to do, faced with such temptation? We were off to a room before another couple of waiting customers could open their mouths.

What followed was an incredibly charged session with lots of intense action. After a brief chat and massage I offered to rub her back so I could savour the delights I was about to enjoy. The basque was gone but the stockings and suspenders remained to fire me up....

Danielle moved onto OWO and I was quickly ready to move on. Her oral technique was OK, not the best I've had, but it did the job. The main event, however, was mind-blowing. All I remember is sex in a variety of positions, each one getting more pleasurable than the last, and each one affording a magnificent view of her great body in action. Finishing a vigorous session doggy-style and cumming over her arse was incredible.

We chilled out for a while and then had a bath together, chatted a while until time was up.

Danielle is a fantastic girl: easy to get along with, enthusiastic and eager to please. She is a star in the making for Scorpio.
