The Story:

I have tried to get to see Patrice several times in the last year but she's always been booked up, so it's been a while since I saw her last (my FR no 23073 on 10 Aug 02) and I'd forgotten just how fantastic she is. I won't forget again and she goes straight back to the top of my favourites list. She was absolutely brilliant and I came away with a smile on my face and a spring in my step feeling years younger.

She started with a back massage which before long reached the lower regions and some very sensual rimming combined with gentle touchy feely around the 'tackle'. I didn't want it to stop.

Then into some awesome OWO followed by 69 and before long she was shuddering under the effects of my tongue.

Reverse cowboy, cowboy (when she came again - no faking it), doggie and mish followed, interspersed with passionate snogging at every opportunity and finally an OWO finish - one of the best I can recall.

Patrice, I can't begin to tell you how good you made me feel - thanks a million - I won't leave it so long next time.
