The Premises:

Sandys best parlour in the land but I must mention Debbie and Marlene the wonderful receptionists who in all circumstances keep everything running smoothly and making you feel welcome Thanks ladies

The Lady:

Morgan a very attractive with an athletic body and a fantastic personality

The Story:

I had arrived at Sandys for an appointment with Patrice only to find she was not available due to personal circumstances after getting over my disappointment I saw that Morgan was free and knowing she had many good reports I decided to go with her

After taking a shower I was waiting in the room when Morgan literally bounced into the room dressed in a red top and matching panties my first impression was that she was determined to enjoy herself as much as me

We started with a kiss and cuddle as she removed her top before undressing me as I knew she sometimes worked as a lap dancer I asked her to do one for me which she readily agreed however as there was no pole she ended up naked with her legs wrapped around my waist hanging downwards this gave me a whole new outlook on pole dancing

After this we moved back to the bed and she pushed my head down between her legs and I started to lick her pussy which tasted sweet and juicy Morgan seemed to be enjoying this as much as me. When I came up for air I moved on to her breasts til she said it was her turn to pleasure me with that she started to lick the inside of my legs before moving to my cock the action with her amazing lizard was unbelievable and my cock soon came to life she asked me then if I would like to cum all over her breasts having cum we had another kiss and cuddle before finishing

Finally I would to say thanks to Morgan for giving me such a wonderful time and I look forward to our next session when I will book you for the full hour
