The Premises:

The Georgian club is located down Waterloo Street on the east side of Oldham, parking is relatively easy I actually parked in the public car park at the end of the Street, but I was told when I got into the Georgian club that they had their own car park behind the club. I was very impressed with the club decor and general appearance the receptionist was nice and friendly and the whole place had a nice atmosphere about it. Most of the rooms I was shown were spacious, well furnished and either had a Jacuzzi or a shower.

The Lady:

Gypsy is a lovely raven haired beauty, she looks to be in her late 20s with a nice firm Figure and natural boobs. She has a lovely smile and her friendliness attracted me to her instantly undressed she has a lovely tan and a neat Semi shaved Fanny, altogether a very nice and attractive girl.

The Story:

I fancied a change from my normal haunts around Manchester, and I had heard several good report about the Georgian so I decided to give it a spin. I was not disappointed, the Georgian is relatively easy to find and behind the blue double set of doors lies a parlour second to none. When I entered the reception room, the receptionist greeted me like a long-lost friend even though I've never been there before, she introduced the girls to me and asked gypsy to show me around. Gypsy gave me a nice tour of the place and I was very impressed, she was also very friendly and laughing and I decided that she would be the perfect companion for an hour or so. I chose the room with the shower and gypsy offered to go and get me a drink, while she did this I got a shower. She came back into the room and gave me a lovely oily leisurely massage, I could feel myself getting nice and horny so I turned around gave her a lovely kiss, slowly moving down her body and pulling her knickers down her legs, I was soon at her sweet Fanny kissing and licking it until it was nice and wet. She appeared to enjoy this and was soon writhing and grinding her lovely body into my face. This was followed by some lovely oral without, then, I could wait no longer and asked her to put a condom on and ride me cowgirl fashion. This was followed by lovely doggie session before I exploded in an ecstatic climax. Gypsy is a lovely lady who is not only sexy, but has a lovely thoughtful personality, afterwards we sat and chatted about life and the universe before I had to leave. She left me feeling very relaxed and at peace, a nice end to a hard day, thank you very much

Gypsy.
