The Premises:

The Gallery is a well known and immaculate location. A recent addition is the offer of complementary spirits but as I was driving I had to refuse!

The Lady:

Awesome, this lady is stunning, just over 5ft of curvacious energy.

The Story:

I can honestly state, without fear of contravention, that this lady is the best there is! a brave statement I know but she's awesome. Not only is she funny, great looking and with curves in the right places but she's adventurous and goes like a rabbit! I knew her in a previous life and she was good then but since she's had a rest break she's returned as a sex monster!

If you're after a real treat and have loads of energy then I dare you to try and tame this girl. All I can say is that I left with my balls empty and my smile full!!!

I can't wait until she's next on duty and I'll be there!
