The Premises:

Ground floor flat, just off busy main road, good parking and quite safe. Clean, nicely furnished, bedroom had 2 single beds pushed together. Susan tells me they moved there from their old place 2 weeks ago. Not dingy, in fact quite well lit.

The Lady:

Susan is in her 50's, Tiffany is early 40's. Neither is young and beautiful, though Tiffany is quite attractive. Both quite slim with good bodies. Susan has pierced clit with dangly bits, but Tiffany doesn't.

The Story:

They prefer to do '2 girl' sessions but you still only pay ?80.00. This includes lots of French kissing from both of them - they also kiss each other a lot, I went down on Tiffany who was very sweet, then Susan went down on her as well, while Tiffany and I kissed. Tiffany put the condom on and rode me cow girl while Susan sucked and licked my balls, then I slipped out of Tiffany and Susan took the condom off and did her speciality, BBBJ until I came into her mouth, which she swallowed while continuing to suck for all she was worth. All the while Tiffany was French kissing me. Quite an experience.
