The Story:

Another great session with Trisha! I last saw her in about April and had made a forward booking for the next time I would be in the Leeds area. Once more, a mindblowing session - lots of kissing, petting, cuddling, foreplay and sexy talk paved the way for another fantastic time with this courteous and very thoughtful lady. I think my next booking with be an overnigher. Falling asleep whilst snuggling up to Tricia's enormous boobs will be awesome!!
