The Story:

I had seen Pru on her webcam so I knew what to expect. She arrived at my house looking great and carrying a mysterious bag and a peacock's feather, Pru explained that it was a bondage sheet in case I was in the mood for tie and tease, this is not for me but it's good know that the unusual is also available. After a drink we went into the bedroom and Pru unveiled her luscious assets and we kissed and cuddled, she is a great kisser, I then sucked on her big sensitive nipples until she came, she does not fake it and tells you if it's not happening. Her body is terrific and her arse is smooth and generous shame she doesn't do anal. Pru offers owo if she feels comfortable, so I was lucky and got an incredible bbbj. I just had to fuck her from behind, so on with the rubber, the view of that smooth arse made me cum in buckets. Pru was ready for a second round but she was already too much for me. Fantastic session.
