tall tanned and italian looking, have seen max loads of time though not for about 2 years now. she gets better looking with age (about 34), medium breasts fully shaved wet pussy.

### The Story:

it was like seeing an old friend i had not seen maxine for a couple of year but we carried on where we left off. kissing with plenty of tongues, poppers ( have to blame the gorgeous karen and tj for my love of poppers ). owo, reverse oral and even if max didnt come she sure made me think that she had. sex with her on top and then in mish with max's legs around my ankles finished by french kissing max while she wanked me off over her pussy, what better sight then a womens clit covered in cum ?? . a very special lady and as you have probably gathered one of my all time favourites. the phone no is 0161 442 3113 not the one above which is for karens 2
