The Lady:

Chunkier than in the photos and smaller in height than I thought (5ft 4?). She also advertises on Diva and Scandal Babes. Wonderful tits.

The Story:

HAd wanted to see Caprice of Scandal, but she was bokked up till Monday!

So onto Tina, an ok time, but not up to my expectations, based on previous FRs. Tina admitted that she wasnt in the mood today...which is slightly irritating, since I would have gone elsewhere.

OK kissing (french) reasonable OWO, which is NOT CIM, as the agency said it would be. Didn't mind, but would have preferred to have had the option. Came over her tits and then on for round 2, lots of shagging, Tina can take a good pounding from behind, but not Anal.

All in all, an ok punt, 6.5 or 7/10....Tina is a sweet girl, who apologised after the session for not being as enthusiastic as she normally is.

Wouldnt visit again, simply because I cant afford to risk ?150 is she isnt up for it and for the lack of CIM. But she has an exceptionally fine pair of tits, which would mean Id recommend her to others, who will hopefully find her on better form.
