The Lady:

Kristen (or Kirsten) was introduced to me in reception. I was immediately struck by her gorgeous tits that spilled out over the top of her bra. That was it, I was sold ...

The Story:

Waited around in the room for 5-10 minutes before Kristen arrived wearing just bra and pants. She didn't say anything but smiled and just lazily stretched herself out on the bed and slowly ran her hands sexily over her body. I didn't wait for an invitation and just climbed onto the bed and let my hands join her hands in exploring her ample curves. I found, as I expected, that she has the most gorgeous, soft tits once I managed to unhook the bra and I couldn't wait to nuzzle her pronounced brown nipples. Unfortunately one of her nipples was sore and she didn't seem all that keen on me paying attention to the other one so I thought I'd switch my attention downstairs. She didn't complain but as my fingers wriggled between her thighs she just locked her legs together and rolled onto her side. I was a bit stumped at how to approach this as I love to give as well as receive but before I could say anything she turned back, knelt up and gently slipped her mouth over my cock. Wow, all my earlier doubts disappeared as Kristen's lips and tongue went to work ? what a performer. In no time at all I was exploding into her mouth and as I watched she let the cum slowly dribble from her lips. What a horny sight ? I could have cum again there and then ... Overall, however, I was a little disappointed with the service ? Kristen acts a little disinterested, which I'm sure can be a turn-on for some guys, but I prefer a more assertive partner.
