The Premises:

Basic and a bit small, but there was a shower etc, and it was clean

The Lady:

Nadia is slim, young and long hair. I guess she has been playing this game for a while, and it is starting to show

The Story:

Brilliant time, Fourth time I have seen her and will be back for more. First two times I had the full ?50 to spend, and everthing was on offer, watersports A OWO etc. But ?20 today was OWO and her favorite, "Doggie", her expression, not mine.

Treat her well, and she'll do anything! Especially if you have more than the miserable ?20 I could get together today.
