The Lady:

Tall 1.93m Statuesque - a big girl, but firm, NOT fat! no saggy bits or wrinkles. The boobs are all hers, need no support.

The Story:

A very straight forward down to earth lass, who seems to like her sex. A hell of a turn on to see all that body get going! Licks on her - licks on me, her finger got everywhere.

Only complaint - me arms are too short could only reach one end at a time!

Will I see her again? Yes an hour was too short, while not exactly rushing, Prestige Girls are prompt girls - they get wrong off her if they over stay!
