The Premises:

The sort of apartment that only a girl VERY good at her job could afford - possibly one of the most impressive I have been in. Just a couple of mins from High St Ken station in a quiet street. It simply isn't possible to feel unsafe in Kensington!

The Lady:

Christine gives a slightly cooler impression than in her photos but is undoubtedly very pretty. All natural (I think), this girl has style. More slender than her photos would lead you to believe.

The Story:

Either she was in the mood for it the day I visited or Christine is a real glutton for receiving oral - I don't think I've ever spent so long with my face buried in a pussy and she showed no signs of wanting me to stop when I finally came up for air. Amazingly nice it was too and seemingly much enjoyed. OWO and sex in various positions were top notch. Christine is tactile, affectionate in a very, very slightly aloof way, looks and feels great and is no clock watcher. But definitely one for those who like to give as well as receive.
